IMPORTANT NOTICE Wastewater Mains Upgrade - Wairoa

As part of the Wairoa District Council's programme to improve the quality of our wastewater network, Fulton Hogan & Pipe Technologies, acting as contractors to the WDC will be relining the public wastewater network in your area during the week beginning the 14th March 2018. On the day of lining Pipe Technology will contact you and ask that you do NOT:
• Flush your toilet
• Use your dishwasher
• Use your washing machine
• Have a shower
• Empty water from your tub, basin, or sink water down the wastewater system
• Please ensure any automatic wastewater discharge pumps are switched off

This work should be for a short period (approximately 2 hours). You will be advised if we encounter any problems or delays in returning the wastewater network back to normal operation. Work will be undertaken, weather permitting, between the hours of 7.00am and 6.00pm. We strive to minimise interruption to properties and apologise in advance for any noise nuisance caused by these operations.

For any further information, please do not hesitate to contact Manie Steffens on 027 591 1615
