Bereavement Thanks

STRODE, Betty.
Betty's family would like to thank the medical staff at the Hastings and Wairoa Hospitals for their care. The last two weeks of her life were really special thanks to the loving support of her sister Bev and niece Jill with partner Tony along with Cody and Boss.

Situations Vacant

Compliance Officer

Join our Regulation and Compliance team in a permanent part-time role, working at least 16 hours per week (Monday and Friday) with on call duties from Friday evening until Monday morning. Ideally you will have experience with enforcement or animal handling experience, but this is not essential. A current Fire Arms Licence (or the willingness to gain a firearms licence) and a clean, full driver's licence are also essential.

Infrastructure Operations Engineer

An opportunity for some exciting internal changes has resulted in a full-time Infrastructure Operations Engineer to join our Community Assets and Services team. Ideally you will hold a National Certificate or Diploma in Civil Engineering however, people who have an electrical or mechanical trade background or a similar trade related qualification may also be considered.

Regulation and Compliance Administrator

We have an opportunity for a six month fixed term, part time (20 hours per week) Administrator to join the Regulation and Compliance team. You will have a minimum of one year's general administration experience, ideally in a similar environment, along with excellent attention to detail and communication skills. The ability to retain information and ensure required follow up actions as well as a positive approach to challenging deadlines will ensure your success in this role.

A full job description and employment application form are available on request from Council Offices, Queen Street, Wairoa (06) 838-7309 or on our website www.wairoadc.govt.nz.

Please apply online via Council's careers portal or mail to:
