This time last year ...

... was the darkest time of Lex's life. He had a choice between death or survival—Lex chose survival and came to The Salvation Army for help.

This year, Lex is changed; he's a different person.

Caring staff at the Bridge helped Lex with his journey. Now he is on a different path.

And Lex can think about this time next year.

You can help provide immediate and long-term support—like food parcels, accommodation and advocacy, counselling, budgeting and practical assistance.

When New Zealand needs us, we need you.

Please donate today and make transformation possible.
